UAMPS RESOURCE PROFILE 2019

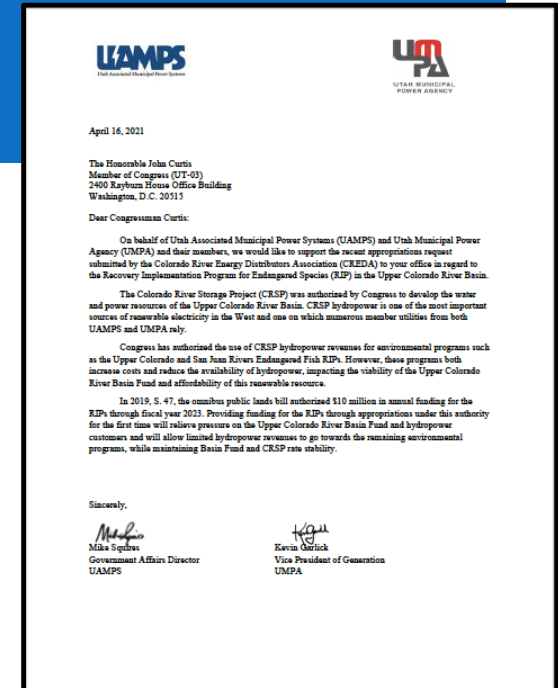

HOW UAMPS IS IMPACTED BY THE DROUGHT

STEPS UAMPS IS TAKING

- Engaging with Utah's federal delegation to assist with appropriations impacting the Basin Fund and other environmental programs covered by CRSP – RIP
- As a board member of Colorado River Energy Distributors Association (CREDA) working with Utah board members and the organization in mitigating a worse outcome

Letter to Utah federal
delegation on Recovery
Implementation Program (RIP)
